

Generations of Faith

This year's Theme is *Responding In Prayer (Prayer and Spirituality)*.
The first session is Sunday, September 23rd following mass. We will have to tear down and setup like last year for at least this first session. This year we will be focusing on ways to pray, praying during Lent/Christmas and Lent/Easter seasons. The Lord's Prayer will also be discussed and we will look into devotions.

For our first session we started with 'Praying the Rosary' to prepare ourselves for the Month of the Rosary which was held in **October**. **November** was learning how to pray through Advent and Christmas. **January** will be focused on "The Lord's Prayer," February is called "Praying through Lent and Easter," and finally in **March and April** we will take a look at "Catholic Prayers and Devotions."
