### Description of Tasks

Food I and II: These families will bring the meal for the session that they have this task. You will be contacted by the Food Team to coordinate what to bring.

Set-up/Registration: These families will help set-up the tables after mass and prepare the tables for start of session. A few will be asked to help out at the registration table. They will also do clean-up after the session.

Activity Helpers I and II: These families will be contacted by a catechist when a need arises for additional help during the session. Activity Helpers I will be used first. If the need arises for more helpers, the Activity Helper H will be called upon. If you do not receive a call, you have the month off.

Clean-up: These families will help clean-up the tables after the session ends. This includes **wiping tables and folding them up.**
